- ☐ Can be shared with DOD and their contractors (Distribution D)
- ☐ Cannot be shared without approval (Distro F)
- ☐ Other

19. If the preceding answer is anything except Distro A, please explain

20. Please indicate the preferred ASSET distribution (select all that apply)

*2021a Free download at <https://www.mathworks.com/products/compiler/matlab-runtime.html>

**** m-code is only shared in support of projects we are collaborating on and where there is a need to modify the source code. Furthermore, access to m-code requires an ITA (Information Transfer Agreement). If this is something you are interested in pursuing, please identify the program(s) this would support and the government sponsor(s) responsible so that we may initiate follow-up discussions.**

☐ p-code (requires MATLAB)

☐ Executables (requires MATLAB Compiler Runtime*)

☐ m-code**

21. Please email your DOD Mandatory Controlled Unclassified Information (CUI) Training certificate to afit.enp.ctisrasset@us.af.mil with subject line as: CUI Training_ "insert last name" (example: CUI Training_Smith) Go here if you need to complete or renew your training [Security Awareness Hub \(usalearning.gov\)](https://www.usalearning.gov).
