Bursar Hold

Students will be billed for their tuition after the last day to add a class. Students are given 30
days from the date of their invoice to pay their tuition in full. A Bursar Hold will be placed on
the student’s account if the account has not been paid in full by the due date stated on the
invoice.

A Bursar Hold prevents a student from being able to register for additional courses, receive
grade(s), graduate or receive a copy of their transcript.

Due to extenuating circumstances, special situations (i.e., deployment, illness, etc.) will be
handled on a case by case basis. Please contact the AFIT Bursar’s office for more information.
