Master's & PhD 12-Month Retention Rates
AY1415 - AY1718 Entering Cohorts

**Entering Cohort:** All students (FT & PT) who began a new master's or PhD program at AFIT-EN during the specified academic year. Students who previously enrolled in AFIT-EN courses or who previously received a master's degree (from AFIT-EN or elsewhere) are included.

**Retained to 12 months:** Percentage of students in the entering cohort who were enrolled at any level (certificate, master's, PhD, or non-degree) in AFIT-EN at the 12 month mark.

**Graduated By 12 months:** Percentage of students in the entering cohort who had already completed their MS or PhD by the 12 month mark.
