

Interactive Inferential Statistics Flowchart

Version 1.0

Last Updated: 8 January 2019

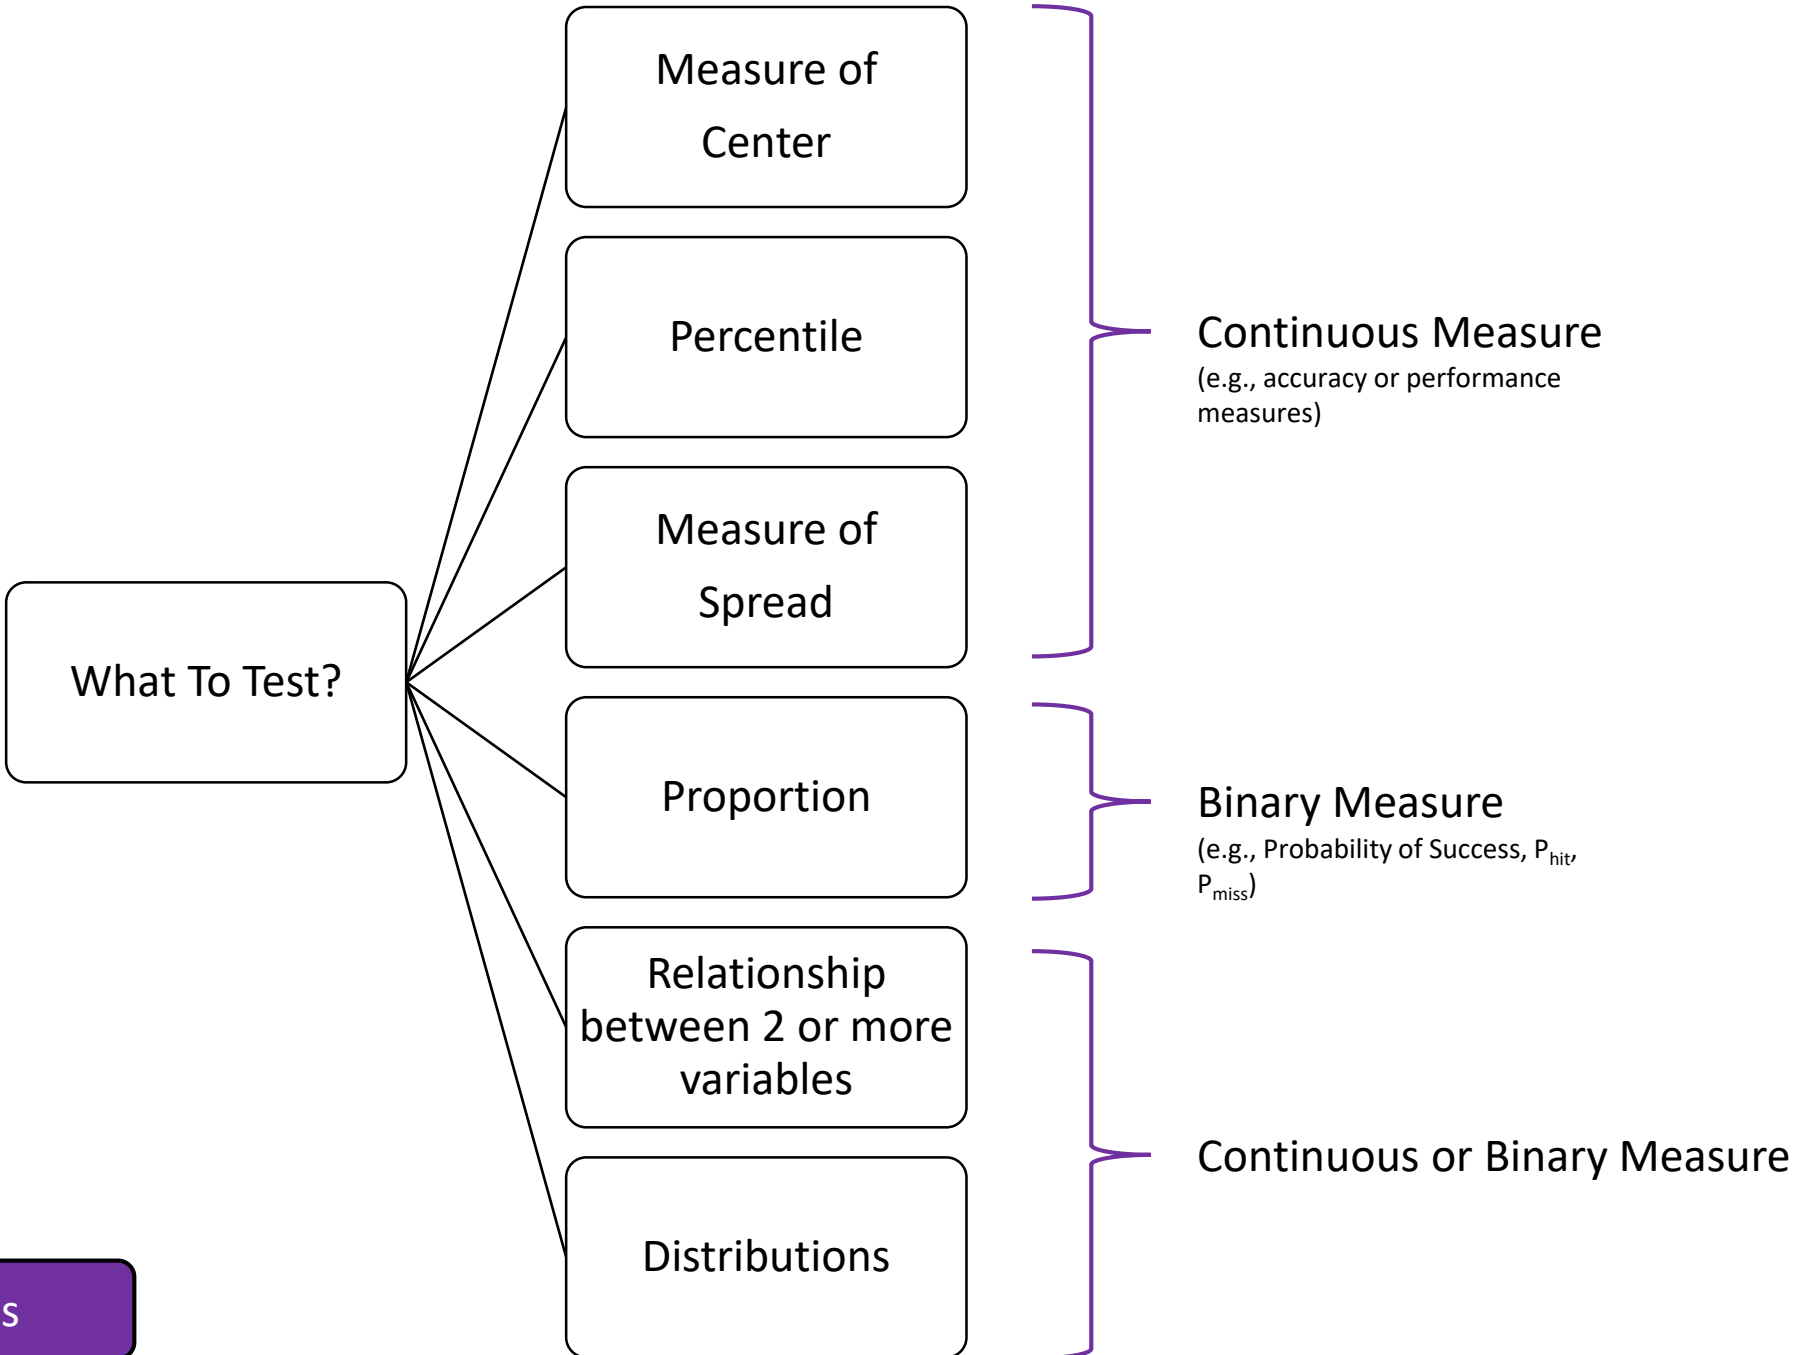

STAT COE: *Scientia Prudentia et Valor*

Directions

- View this in “Presentation Mode” in MS PowerPoint
- Click the “Begin” button below to start
- Click the desired measure of interest (e.g., Measure of Center)
- Follow the flowchart to arrive at the recommended inferential statistical method
- Use the  button to return to the previous slide
- Use the  button to return to the starting page
- Questions? Contact the STAT COE at COE@afit.edu
